The Hiring Manager

Moniepoint Group
Nigeria

Dear Hiring Manager,

I am writing to express my interest in the Senior Frontend role at Moniepoint Group

I have a background in Computer Engineering and have developed practical experience in web development, building responsive and user-focused web applications. I am currently expanding my skills with modern technologies such as Next.js, while continuously improving my understanding of scalable and efficient web solutions.

Beyond technical skills, I am highly curious, adaptable, and committed to continuous learning. I enjoy solving problems, collaborating with others, and building solutions that create real impact, i have built a responsive real time Weather application to detect the weather conditon of any location. My portfolio and GitHub showcase projects that reflect my growth and hands-on experience.

I am particularly drawn to Moniepoint group because of its role in advancing digital payment solutions and innovation in Nigeria. I am eager to learn, contribute, and grow within a structured training environment while gaining exposure to real-world projects.

I have attached my CV for your review. I would appreciate the opportunity to further discuss how I can contribute to your team.

Thank you for your time and consideration.

Yours sincerely,

Ani Emeka Raphael
